

Project Appeal 2009 - Indooroopilly

Why donate?

To assist the College fund major building projects and maintain and improve existing facilities, St Peters Foundation encourages the College community to give voluntary support in the form of a tax-deductible donation to the Foundation Building Fund.

In 2008, donations to the Building Fund raised over \$28,000, which have been directed to the completion of building projects around the school, such as four new classrooms in the Junior School, upgrades to Boys and Girls Boarding and a new Boys Health Centre.

Junior School Students enjoy their new building

How will my gift benefit the College?

Your gift will

- help to **improve existing and construct new facilities** at the Indooroopilly campus
- **make a difference** to the current and future students of St Peters Indooroopilly
- **demonstrate your commitment** to St Peters
- assist the College to **secure future grants** from other institutions

Remember ...

your gift to the Project or Capital Appeal is **fully tax deductible**, and may give you the the opportunity to join over 350 life members of the St Peters Foundation

All contributions (donations, accepted gifts and pledges) to the Building Fund accrue towards membership of the Foundation.

- \$1,500 qualifies you to become a Foundation Member
- \$7,500 qualifies you to become a Foundation Fellow
- \$30,000 qualifies you to become a Foundation Trustee

How can I give?

By Annual Giving, Regular Giving or Pledge

Donations to the Project or current Capital Appeal can be made as a single donation at any time, or we can help you to set up a regular debit to your bank account or credit card (regular giving).

A pledge is a promise to contribute a sum of money over a period of time (usually up to five years). This way you can become a Foundation member immediately, without having to make the entire donation upfront.

Which Appeal should I give to?

Project Appeal

Donations to the Project Appeal will go directly to the maintenance and improvement of existing buildings, or the construction of new buildings, at the Indooroopilly campus.

Performing Arts Centre Appeal (capital appeal)

Donations to the Performing Arts Appeal will join the \$612,247 of funds already reserved for this project. Stage 1 of the Performing Arts Centre includes a 350 seat theatre, 2 music classrooms, entry foyer and amenities, and is our major fundraising focus this year. Construction is due to commence in 2010, with the planning and design to be finalised this year.

All donations to the Project and Performing Arts Centre Appeals are fully tax-deductible.

Since 2002, over \$290,000 has been donated to the Project and Performing Arts Appeals - Thank you!

Ross Roy Society

Separate to the Project Appeal, the Ross Roy Society was established as a joint initiative by the Foundation and St Peters College Council to recognise those who have included St Peters as a beneficiary in their will (a bequest).

A bequest can be money, property, shares, artwork or other assets. Bequests can be directed to the Foundation for its unrestricted use or can benefit a specific area of College activity.

- Please send me more information about the Ross Roy Society.
- I have already made a bequest to St Peters Lutheran College and wish to become a member of the Ross Roy Society.

The Foundation

St Peters Foundation serves the College in a number of ways, however its principal avenue of support is through the provision of financial resources that assist the College to acquire equipment, continue facilities maintenance and embark on capital works projects at St Peters.

Supporting the Foundation helps strengthen its partnership with the College and continue its commitment to securing outstanding conditions of academic and facility excellence for its current and future students.

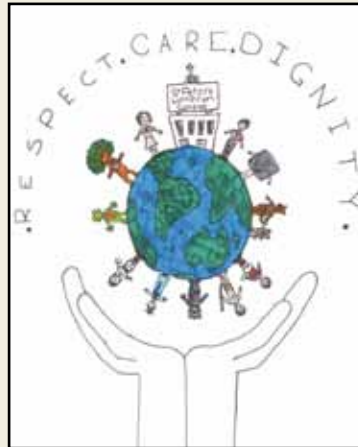

Our fundraising focus this year is the development of the Performing Arts Centre at Indooroopilly Campus.

**Your support and participation are integral
in achieving these goals.**

The 2009 Project Appeal Competition

The Foundation invited the students of St Peters Indooroopilly to design the artwork for this Project Appeal brochure. The entries were such a high standard, the Foundation Directors awarded not only a first prize, but three encouragement awards as well. Thanks and well done to everyone who entered!

After much consideration, first prize was awarded to Charlotte James (9J) and encouragement awards given to James McCoombes (Prep Gold), Joash Teo (7C), and Louise Barnsbee (12 M). Congratulations to all!
